

BEGINNING

- Gas station guy eats crusty (premade, frozen) hotdog and ALMOST dies (parasite in burrito).
 - Parasite keeps gas station guy alive and can now control the guy. Player plays as parasite controlling the guy
 - As parasite interacts with more people, it gets easier for parasite to control gas station guy
 - GOAL: Parasite wants to adapt enough to blend in with other people so that his true identity is not discovered
-
- **Beginning:** Gas Station Guy eats hotdog and gets parasite
 - **Middle:** Guy w/ parasite goes around and tries to blend in with society
 - **End:** parasite/player either chooses to be good or bad, triggering different endings
 - *Bad Ending:* parasite releases brethren and takes over world
 - *Good Ending:* parasite grows sympathetic and stays within current host
