<p>Justine is sitting at a table, drawing on her computer. The camera is really far away and zooms in.</p> <p>Justine looks up and the camera is picked up and the cameraperson begins running away.</p>	<p>This is Justine, we make her do all the art and who is secretly probably out to kill us some day but it's fine since she's going all crazy on the drawings.</p> <p>I think she saw us... oh shit, go go go go...</p>
<p>Sam is typing up a storm, sitting at a table with papers all sprawled out on the table</p>	<p>And here is Sam who is our story coordinator who is a very hard working individual and a great team member,</p> <p>Help I don't know who these people are send-</p>
<p>Octavio is walking in the hallways with 4 coffee cups,</p> <p>Walking into the class</p> <p>Avery sips coffee, spits it out, throws it at Octavio.</p>	<p>And this is Octavio who is our wittle errand boy who does what we tell him to do.</p> <p>"Here's your coffee"</p> <p>"This isn't the right one"---"Go back and try again"</p>

<p>Octavio falls over from the burns, and Avery kicks at him to get him to move.</p>	<p>Octavio screams from the coffee burns “I... said... get... going!”</p>
<p>Octavio, Justine, Jacob, Sam, Avery are sitting together at a table, an assortment of papers and binder sprawl across the table.</p> <p>Octavio fans Avery with a paper fan</p> <p>Jacob screams and goes to stab Avery We freeze frame</p>	<p>Ja-“NO NO IT'S SUPPOSED TO BE LIKE THIS” S-“BUT THEN WHAT ABOUT THE STORY” Ja-“THEN WE HAVE TO CODE THAT” O-“Wait what was the story” Ju-“WE HAVE TO DO MORE ART” A-“FAN ME FASTER” “(Jacob mumbles something about code)”</p>
